

## PARTNERSHIP PROFILE

Alluvial Fund, LP is dedicated to identifying and profiting from deeply mis-priced securities in the US and abroad. Alluvial Fund focuses on small firms, thinly-traded issues and special situations, seeking to identify value that the market has yet to notice. The partnership's goal is to compound its partners' capital at superior rates over the long term.

## MANAGER'S COMMENTARY

August saw modest appreciation in Alluvial Fund's portfolio. Returns were bolstered by the announcement of a liquidating distribution from Essex Rentals, and hampered by Contura Energy's canceled IPO. We continue to be very optimistic on Contura Energy's prospects based on robust underlying cash flows. Alluvial Capital Management, LLC continues to see excellent opportunities to deploy capital into distinctly under-valued securities.
