

PARTNERSHIP PROFILE

Alluvial Fund, LP is dedicated to identifying and profiting from deeply mis-priced securities in the US and abroad. Alluvial Fund focuses on small firms, thinly-traded issues and special situations, seeking to identify value that the market has yet to notice. The partnership's goal is to compound its partners' capital at superior rates over the long term.

MANAGER'S COMMENTARY

Hoteles City Express reported good results and encouraging data from Puerto Rico bolstered Syncora Holdings. However, continued instability in Nicaragua dragged down Polaris Infrastructure and fears over interest rates and housing activity hampered Bluelinx. On the whole, a good start to the earnings season helped Alluvial Fund to a modest gain in July.
