

PARTNERSHIP PROFILE

Alluvial Fund, LP is dedicated to identifying and profiting from deeply mis-priced securities in the US and abroad. Alluvial Fund focuses on small firms, thinly-traded issues and special situations, seeking to identify value that the market has yet to notice. The partnership's goal is to compound its partners' capital at superior rates over the long term.

MANAGER'S COMMENTARY

The quarter ended quietly as the market awaited the beginning of earnings season. Contura moved up as its merger with Alpha Natural Resources appeared more likely to proceed. BlueLinx suffered from the market's fears over a slowdown in housing. Subsequently, Alluvial Fund has held up relatively well as indexes have moved into correction territory.
