

PARTNERSHIP PROFILE

Alluvial Fund, LP is dedicated to identifying and profiting from deeply mis-priced securities in the US and abroad. Alluvial Fund focuses on small firms, thinly-traded issues and special situations, seeking to identify value that the market has yet to notice. The partnership's goal is to compound its partners' capital at superior rates over the long term.

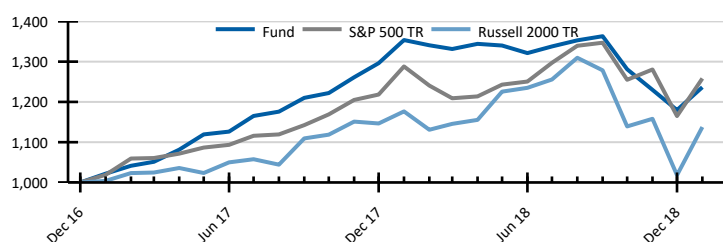

MANAGER'S COMMENTARY

Markets saw value in Alluvial Fund's positions, pushing them higher to start the year. Earnings season is off to an encouraging start, though the strong US Dollar is proving to be a headwind for our international holdings.
