

PARTNERSHIP PROFILE

Alluvial Fund, LP is dedicated to identifying and profiting from deeply mis-priced securities in the US and abroad. Alluvial Fund focuses on small firms, thinly-traded issues and special situations, seeking to identify value that the market has yet to notice. The partnership's goal is to compound its partners' capital at superior rates over the long term.

MANAGER'S COMMENTARY

Alluvial closed the quarter on a positive note. Looking forward, we expect strong earnings reports and the resolution of a few special situations to cause the portfolio to move closer to fair value in the third quarter.
