

Alluvial

FUND, LP

June 2022

PARTNERSHIP PROFILE

Alluvial Fund, LP is dedicated to identifying and profiting from deeply mis-priced securities in the US and abroad. Alluvial Fund focuses on small firms, thinly-traded issues and special situations, seeking to identify value that the market has yet to notice. The partnership's goal is to compound its partners' capital at superior rates over the long term.

MANAGER'S COMMENTARY

Alluvial Fund lost ground as global stock markets experienced a severe sell-off. Still, the fund managed to outperform benchmarks in June and year-to-date thanks to a focus on cash-flowing securities and off-the-run issues less affected by fund flows out of large liquid equity investment vehicles.
